

Tuesday Morning Memo

Tuesday, April 27, 2010

Please share these Tuesday Morning Memos with anyone that might be interested. To subscribe, unsubscribe or submit information for consideration to be included in these memos, send an e-mail to arcwjim@att.net.

REMINDER: AN OPPORTUNITY TO SHARE EXPERIENCES RELATED TO FAMILY CARE

On Thursday, April 29th, The Arc-Wisconsin will be hosting a toll-free teleconference to provide callers from around the state with the opportunity to share their thoughts and experiences related to Family Care. Anyone with an interest is invited to participate. After a very brief discussion as to why The Arc-Wisconsin felt the need to provide this teleconference opportunity, callers will be invited to share their thoughts and experiences related to Family Care with others on the call. This is an opportunity to both share and learn. Please know that, although there is not an invited panel, the invitation list for this call includes legislators and their staff, Department of Health Services staff, managed care organization staff, providers and others with an interest in Family Care. There is no need to RSVP or announce that you are on the call. People can listen “anonymously”. However, we encourage all who participate to share comments. You do not have to identify who you are or where you are from to share comments. The call will be recorded to enable the discussion to be shared, by request, with people that cannot make the call. While the call is scheduled for 90 minutes, people should feel free to join and/or leave the call at any time.
