

# The Arc of Southwestern Wisconsin, Inc.

**TO:** All adults with developmental or physical disabilities and elders with frail health who are currently funded under a long-term care system run by County Government or if you are on a wait list for services, or to those who are already enrolled in Family Care.

**FROM:** Arc of Southwestern Wisconsin, serving Iowa, Grant, and Lafayette Counties.

**RE:** Change in long-term care system

On April 1, 2010, Iowa and Grant County will begin a new system of long-term care (Lafayette County began this on July 1, 2009). This change will require current consumers of long-term care services, as well as people on wait list services, to choose from several new long-term care options.

The options include:

- Family Care
- IRIS (Include, Respect, I Self-Direct)
- Medicaid Forward Health Card only

**If you need directions or have questions about the presentation**
